

**MONTANA STATE UNIVERSITY SEED POTATO CERTIFICATION
APPLICATION FOR CERTIFICATION - 2011 CROP**

Name as it will appear on tags: _____

Please refer to attached printout for address and phone information currently in our computer. If there are any changes, please mark them on the printout. The signed printout must be returned with your application.

INDIVIDUAL FIELD IDENTIFICATION

Please use a different table for each variety or application. Be accurate!

Identified lines must be listed as separate varieties. Under the new Plant Protection law, royalties and/or fees can be collected on varieties or lines of varieties that have patents or patents pending. Example: "Colorado Rose" "Russet Norkotah Selection 3." If you have questions about your seed source, contact your supplier.

VARIETY: _____ Application No. 1

2011 Crop Information			Information on Seed Planted		Information About Fields Planted		
Seed Class: to be certified in 2011	Field No.	Acres	Supplier	Seed Class as certified in 2010	Located in County	Planting Date	Crop in Field in 2010
