

COMPUTATION TABLE FOR FEES: 2011 CROP

Name as it will appear on tags: _____

Phone: _____ Fax: _____ E-mail: _____

Contact Person: _____

One computation page per farm.

1. Total all of your **Nuclear and G1** acres together, *round to the nearest one-tenth acre (.1)*, then enter the total on the form and multiply by \$50.
2. Total all of your **G2, G3 and G4** acres together, *round to the nearest one-tenth acre (.1)*, then enter the total on the form and multiply by \$41.
3. If you are submitting a Greenhouse application please use the following fees:
 Contract Production: Enter square feet per greenhouse and multiply by \$0.10.
 Own farm use: Enter square feet per greenhouse and multiply by \$0.05
4. If you are requesting additional newsletters, enter the number on the form and multiply by \$5. (Remember to send the addresses with your application.)
5. **If you are mailing your application after June 10, add the late fee of \$50.**
6. Total the amounts in the "Amount Due" column for your 2011 fee total. All fees are due at the time of application. Make checks payable to **Montana State University**.

→ Applications submitted *without payment of fees* and any outstanding indebtedness to the Certification Program or Montana State University *will be returned* as incomplete.
