

**Directions for Completing Computation Table for Fees**

PLEASE NOTE: FOR ALL NEW GROWERS, AN ADDITIONAL 5% IS ADDED TO THE ACREAGE (OPERATIONS) FEES. ALSO, 100% PER TEST FOR DISEASE TESTING AND 100% PER TISSUE FOR CULTURE PLANTLET/MICROTUBER WILL BE ADDED. PLEASE REFER TO PAGE 5 IN THE RULES AND REGULATIONS FOR FURTHER INFORMATION.

**2011 Fee Schedule**

**Acreage Fees** Round to nearest one-tenth acre (.1)

For **Nuclear and G1** \$50 per acre  
 For **G2, G3, G4** \$41 per acre

**Greenhouse Fee** (use GH form): Contract Production: Enter square feet and multiply by \$0.10.  
 Own farm use: Enter square feet and multiply by \$0.05.

**Other Fees**

**Additional Newsletters** \$ 5 per address  
**Late Fee (after June 10):** \$50

Please total all your acres by seed class before completing your fees table. **Figure all your acres together.** Do not figure each application separately. Each farm will have only one computation table regardless of the number of separate applications.

A new grower planning to grow two varieties (two applications) with .20 acre of Nuclear, 5.25 acres of PVX Generation 1, 15.25 acres of PVX Generation 2 and 60 acres of Generation 3, would compute fees as follows:

.20 acre of Nuclear + 5.25 acres of PVX G1 = 5.45 acre; **round to 5.5 acres.**  
 15.25 acres PVX G2 + 60 acres G3 = 75.25 acres; **round to 75.3 acres**
